

**NASA EOS Validation / SAFARI 2000 Coordination Workshop -
May 12-14, Boulder CO.**

There will be a U.S./NASA EOS Validation / SAFARI 2000 Coordination Workshop on May 12-14, 1999 in Boulder Co.

The purpose of the meeting is:

- 1) US Coordination of Southern African Research Activities related to EOS AM Validation Activities and SAFARI 2000
- 2) Preparation for Regional SAFARI 2000 Implementation meeting in Gaborone during July 26-30, 1999
- 3) To Discuss the relationship of these activities to regional science in SAFARI 2000. The workshop point of contact is Dr. J.T. Suttles (301-441-4028; tim.suttles@gsfc.nasa.gov)
