Distributed Active Archive Center

We have developed a series of word search and crossword puzzles related to science themes in Grades 1 through 7.

We invite you to print the puzzles, make copies, and use them in the classroom or as homework.

If you have comments about the puzzles or would like to suggest additional themes, please let us know by sending an e-mail message to Educator's Corner (educatorscorner@ornl.gov).

Or write us at the following address:
